Rich just go here! Yeah!

I'll check with him re: short trip and usefulness when we debrief. The current idea – is to have Chris go up to Silverton to support Steve. Not sure about the need, but am going to follow up Steve and Joyel.

Will try to keep you posted.

There too. Chris is on his was down as is Rich but it's my understanding that Rich is heading back on Sunday. Not sure why the short trip and question the usefulness if it's that short so Chris will be on his own after that depending on how long he stays. If there's not much for him to do he should come back as well. Thanks, Libby

Hi Chris and Cynthia,

I did not approve your request for comp time related to the Gold King Mine because the decision was made that employees would be paid overtime and not comp time. Check in with Christine Portillos who is at IC should you have questions. We can correct timecards when you return.

Thanks, Libby
